**Dear Students, Team Members, Prospective Students!**

Thank You for your continued patience while we all navigate the conditions we now find ourselves in due to Covid-19. We wanted to give you a quick update today as we await even further guidance from the regulatory authorities that oversee our private career schools.

For now, and as you already know, we are closed until March 31<sup>st</sup>.

**Current students:** we will be contacting you via email on Monday March 23<sup>rd</sup> with a very important email that will include a survey. Please complete the survey as soon as possible after you receive it. We have some exciting educational opportunities we are working on for you, but we need your feedback first. Stay Tuned!

**Team Members:** take the next couple of days to rest and restore. Please be patient with us. We will be reaching out on Sunday to your campus Directors. We'll let them know how we envision this week going with a very socially distant and extremely modified work schedule.

**Prospective Students:** our administrators will be in contact with you regarding when you will be able to start. At this point, we know it will be later than April 6<sup>th</sup>, but we hope to get you started as soon as possible.

Stay Safe and Socially Distant/Responsible!
